Admissions Requirements

Who can play?

The purpose of Sit! Stay! Play! is to provide a safe, fun, and stimulating social environment for dogs. To ensure the safety and health of your dog and our other guests, we require all guests to comply with the following requirements:

- Dogs must get along well with other dogs and humans. While daycare can be beneficial in helping some shy dogs, daycare is primarily a place for social dogs to interact with other social dogs and people. Dog daycare is not an appropriate environment for aggressive or severely fearful dogs. Dogs must not be food or toy protective
- Dogs must be four months of age or older. At the discretion of Sit! Stay! Play! dogs may be accepted at a younger age.
- Dogs must be vaccinated for rabies as required by the State of Arizona, be current on vaccinations for distemper, parvo, parainfluenza, and hepatitis, (DHPP, DA2P, or equivalent) and be vaccinated for bordetella within the past six months. We require all dogs to be fully vaccinated for leptospirosis with the tetravalent vaccine. The bivalent canine influenza vaccination (H3N2 & H3N8) is recommended, but not yet required. Titters may be accepted in lieu of parvo and distemper vaccinations. All vaccinations must be administered under veterinary supervision. A negative fecal test taken no more than 2 months prior to attendance must be submitted.
- Dogs should be in good health. Upon admission, all dogs must be free from any communicable conditions including internal and external parasites that could potentially jeopardize other guests.
- We do not require that dogs be spayed or neutered, but do require that a dog's behavior be compatible with the expectations of our facility. Females may not attend daycare while in season.
- Dogs must have been in your care for at least three weeks prior to attending daycare.
- Dogs coming from areas experiencing an outbreak of canine influenza must wait three weeks after arriving in the Tucson area before entering the facility.

How to join.

- Complete our registration forms and obtain a copy of your dog's vaccination records. The vaccinations records may be emailed to info@sitstayplaytucson.com or faxed to 520.882.8850.
- Schedule an interview by calling us at 520.882.7529. The interview gives us the opportunity to meet your dog and determine if Sit! Stay! Play! is the right environment for your dog and also gives you the opportunity to see if we are the right facility for you. The interview takes approximately 30-45 minutes. The \$25 fee includes your dog's first daycare visit and a Playsafe™ collar if your dog is admitted.
- After the interview we will schedule your dog's first daycare visit. Plan to bring your dog by 7:30 a.m. on their first day. First daycare visits may only be scheduled Monday-Friday.
